World News

EU foreign chief Kaja Kallas: "No interest to pick a fight, but we will hold our ground."

Transatlantic ties are damaged but intact—Europeans must unite to cut through with Trump, says Editor Katya Adler.

BBC Analysis Editor breaks down Trump's first year back—in numbers—on executive orders, pardons, trips, Truth Social posts.

Space News

French star tracker maker Sodern opens US production facility in Colorado.

Gilmour Space raises record \$146M to scale Australian rocket and satellite production.

Copenhagen Today

Russian FM Lavrov says Greenland isn't naturally Denmark's, dismisses Russia/China takeover rumors, but Russia monitors closely.

Denmark's business ease hides rules that trip up internationals, writes Mikkel Hougaard Orlovski.

We suffer more often in imagination than in reality.
